BRADLEY PALMER PARK

We personally invite you to ENJOY the elegance and splendor of Willowdale Estate, our outstanding service and delicious cuisine.

Built in 1901 by US Attorney and Industrialist, Mr. Bradley Palmer, Willowdale was donated to the State of Massachusetts in 1944. After careful restoration, in 2007 Willowdale Estate was established by Ms. Briar Rose Forsythe-Fandetti as an elegant Events Venue.

The Estate is surrounded by 700-acre State Park with well maintained trails for a casual Nature Walk after your Group Luncheon.

The Willowdale Mansion is a Historic Landmark with beautiful "art and crafts" style detail. Please inquire about our 30-minute Historic Tour available to your Group.
